

# SM011M

PLUG-IN

***MAINS POWERED SMOKE  
ALARM SYSTEM FOR  
THOSE WITH HEARING  
DISABILITY***

The Dicon SM011M Smoke Alarm System for the deaf and hard of hearing gives a double early warning against the danger of smoke.

The system comprises one battery operated control box with powerful integrated flashing beacon, incorporating rechargeable battery back up plus a vibrating pad for use on chairs or under pillows. The control box features a system test button and a low-battery warning and can be used in conjunction with Dicon mains powered smoke and heat alarms.

The supplied 13 amp plug-in mains adaptor allows a wide choice of location for control box.

## FEATURES

- 13 amp Plug-in Mains Adaptor for Ease of Location
- Simultaneous Flashing Beacon and Vibrating Pad Alert
- Battery Back up in Case of Mains Failure
- System Test Button
- Low Battery Warning
- CE
